RoadRunner

When you choose it as your new fifth wheel, the Road Runner will not disappoint.

With standard features like a large refrigerator, water heater, 20,000 BTU furnace, 3-burner range top and torflex rubber torsion axles, the Road Runner is sure to make your trip pleasurable.

All of this and the Road Runner is still one of the lightest on the market. The Road Runner is great value, both at the campsite and on the road.
